

We listened ...

We've lowered our convenience fees for monthly bill payments. This means you'll have a little bit more money to keep in your pockets when paying your natural gas bill.

See below chart for more details.

	Payment Types	Payment Fees
	Credit/Debit Card	\$2.50 (No Fee for Auto Pay)
	Checking/Savings Account or Money Order	No Fee

* This excludes payment fees at our walk-up locations
