

Pipeline Replacement Project

Project map, affected streets highlighted in red (above)

Maple project – Newport News and Hampton

Virginia Natural Gas provides safe and reliable natural gas service to more than 290,000 customers across southeastern Virginia. To ensure that safety and reliability are maintained, we have already made significant enhancements to portions of our natural gas distribution system and we plan to continue by replacing more than 200 miles of older, aging underground infrastructure with new, more modern pipes in coming years.

The work in your neighborhood is part of the company's natural gas infrastructure modernization program known as SAVE (Steps in Advancing Virginia's Energy Plan). This program allows us to make necessary upgrades to our natural gas pipeline system with the expectation of increased safety, reliability and lower operating costs, while supporting the local economy by providing jobs and reducing emission.

As part of this project, we will replace aging mains and services, which may have developed leaks or become damaged over time due to road projects or age. The older pipe will be replaced with new polyethylene plastic that is less expensive to maintain and more durable. Perhaps best of all, we're ensuring families and business owners have ready access to America's most abundant, environmentally friendly fuel ... today and tomorrow.

Virginia Natural Gas, 544 S. Independence Boulevard, Virginia Beach, VA 23452

Streets affected – Newport News and Hampton

19th Street	Hickory Avenue
25th Street	Kecoughtan Road
27th Street	Maple Avenue
Apple Avenue	Mulberry Avenue
Ash Avenue	Park Avenue
Beechwood Avenue	Pear Avenue
Blair Avenue	Pine Avenue
Buxton Avenue	Poplar Avenue
Cedar Avenue	Sycamore Avenue
Cherry Avenue	Victoria Boulevard
Chesapeake Avenue	Walnut Avenue
Hampton Avenue	

Project scope

Installation of:

- 601 services
- 30,487' of 2" plastic main
- 4,199' of 4" plastic main
- 287' of 6" plastic main

Our commitment

We understand your time is valuable, so we take great care in implementing construction practices that limit disturbances to homeowners and businesses. We appreciate your patience and understanding as we work to complete this important work.
