

Pipeline Replacement Project

Project map, affected streets highlighted in red (above)

Adams SAVE Project

Virginia Natural Gas provides safe and reliable natural gas service to more than 300,000 customers across southeastern Virginia. To ensure that safety and reliability are maintained, we have already made significant enhancements to portions of our natural gas distribution system and we plan to continue by replacing more than 200 miles of older, aging underground infrastructure with new, more modern pipes in coming years.

The work in your neighborhood is part of the company's natural gas infrastructure modernization program known as SAVE (Steps in Advancing Virginia's Energy Plan). This program allows us to make necessary upgrades to our natural gas pipeline system with the expectation of increased safety, reliability and lower operating costs, while supporting the local economy by providing jobs and reducing emission.

As part of this project, we will replace aging mains and services, which may have developed leaks or become damaged over time due to road projects or age. The older pipe will be replaced with new polyethylene plastic that is less expensive to maintain and more durable. Perhaps best of all, we're ensuring families and business owners have ready access to America's most abundant, environmentally friendly fuel ... today and tomorrow.

City affected - Newport News

Streets affected

Adams Drive	Haviland Drive
Almond Drive	Henry Clay Road
Antrim Drive	Ivy Farms Road
April Lane	Jefferson Avenue
Arden Drive	Jefferys Drive
Basswood Drive	Kendall Drive
Beech Drive	Mayland Drive
Delta Circle	Pinckney Court
Dresden Drive	Roberto Drive
Elliffe Road	Sunnywood Road
Gambol Street	Tanbark Drive
Green Oaks Road	Teakwood Drive
Greenwood Road	Terrace Drive
Gum Grove Drive	Tokay Road
Gunby Road	Tricia Lane
Harpersville Road	

Project scope

- Installation of:
- 585 Services
 - 42,303' of 2" plastic
 - 6,547' of 4" plastic
 - 3,944' of 8" plastic

Our commitment

We understand your time is valuable, so we take great care in implementing construction practices that limit disturbances to homeowners and businesses. We appreciate your patience and understanding as we work to complete this important work.
