

Pipeline Replacement Project

Project map, affected streets highlighted in red (above)

Kersey Ave SAVE

Virginia Natural Gas provides safe and reliable natural gas service to more than 300,000 customers across southeastern Virginia. To ensure that safety and reliability are maintained, we have already made significant enhancements to portions of our natural gas distribution system and we plan to continue by replacing more than 200 miles of older, aging underground infrastructure with new, more modern pipes in coming years.

The work in your neighborhood is part of the company's natural gas infrastructure modernization program known as SAVE (Steps in Advancing Virginia's Energy Plan). This program allows us to make necessary upgrades to our natural gas pipeline system with the expectation of increased safety, reliability and lower operating costs, while supporting the local economy by providing jobs and reducing emission.

As part of this project, we will replace aging mains and services, which may have developed leaks or become damaged over time due to road projects or age. The older pipe will be replaced with new polyethylene plastic that is less expensive to maintain and more durable. Perhaps best of all, we're ensuring families and business owners have ready access to America's most abundant, environmentally friendly fuel ... today and tomorrow.

City affected - Norfolk

Streets affected

- | | |
|-----------------|---------------------|
| 2nd Bay Street | E Ocean View Avenue |
| 3rd Bay Street | Inlet Road |
| 4th Bay Street | Kersey Avenue |
| 5th Bay Street | Kingston Avenue |
| 6th Bay Street | Parkview Avenue |
| 7th Bay Street | Pleasant Avenue |
| 8th Bay Street | Pretty Lake Avenue |
| 9th Bay Street | Redwing Avenue |
| 10th Bay Street | Whit Avenue |
| 11th Bay Street | |
| 12th Bay Street | |
| 13th Bay Street | |

Project scope

- Installation of:
- 405 Services
 - 26,039' of 2" plastic
 - 71' of 4" plastic
 - 13,784' of 6" plastic

Our commitment

We understand your time is valuable, so we take great care in implementing construction practices that limit disturbances to homeowners and businesses. We appreciate your patience and understanding as we work to complete this important work.
