Important Terms and Conditions

Energy Efficiency Program Residential Incentive Program Terms and Conditions Effective June 1, 2019

General Terms and Conditions: Rebate applies to residential customers of Virginia Natural Gas who have an active gas account and who are purchasing the product identified in the appliance-specific Additional Terms and Conditions below. Product installation must be completed in compliance with all applicable laws, regulations and building codes imposed by federal, state, and local authorities. Only one rebate claim per individual product purchased will be accepted. These program offers are otherwise valid through May 31, 2022, unless suspended by order of the Virginia State Corporation Commission, and **while supplies and authorized funding is available**. You must provide all the information requested in the rebate claim submission form found on our website at www.virginianaturalgas.com/energyefficiency and deliver supporting documentation as required in order to be eligible, including proof of customer consent to these terms and conditions. Incomplete entries will not be processed and will not be returned. **Rebate claim must be submitted using the application provided on our website at www.virginianaturalgas.com/energyefficiency and must be postmarked within 45 days of purchase and installation of qualifying product.** Offer good on purchases for remodeling or renovation of pre-existing homes, condominiums or townhouses in the Virginia Natural Gas service territory only. Offer not valid for new construction. Employees of Virginia Natural Gas, dealers and retailers are eligible to participate in these offerings so long as they meet all other criteria. Please allow at least eight weeks after your completed submission is received to receive your rebate. Rebates will be paid in U.S. dollars. Virginia Natural Gas is not responsible for lost, late, damaged, postage due, misdelivered or misdirected mail and incomplete or illegible claims. All claim forms and supporting documentation become the property of Virginia Natural Gas. Virginia Natural Gas reserves the right to withdraw or terminate these offers (or any one of them) at any time upon reasonable notice posted on our website at virginianaturalgas.com/energyefficiency or by informing our retail and dealer partners, and providing documentation that clearly communicates end dates for purchases. Products may not be returned for full purchase price once the rebate has been fulfilled. Rebate shall be fulfilled via a check, in which event rebate offer and check expires for that submission if rebate check is not cashed within 90 days of check date. By submitting a claim, you consent to our collection, use and disclosure of the information contained in it, together with any information you may subsequently provide to us, to any person or entity for the purpose of processing your rebate claim or responding to your requests and for internal business purposes in accordance with our privacy policy. Our use of your information is governed by our privacy policy that can be found at virginianaturalgas.com. To check the status of your rebate, call 800.427.8876 (opt 3). Virginia Natural Gas is not the manufacturer, seller or installer and is in no way responsible for the installation, quality of installation, or quality of natural gas appliance(s) for which you submit a rebate claim under the energy efficiency program. Any concerns regarding installation shall be directed to your installer, and any concerns regarding natural gas appliances or equipment shall be directed to the manufacturer. Keep a copy of your submission for future reference. Rebate claims may only be submitted by individuals above the age of majority in the State of Virginia. Offer void where prohibited by law. These General Terms and Conditions are in addition to, and not in lieu of, the applicable appliance-specific Additional Terms and Conditions listed below.
